AUDITION PACKET

Produced by special arrangement with THE DRAMATIC

WELCOME!

WELCOME

Hi There!

THANK YOU FOR YOUR INTEREST IN AUDITIONING FOR 12 ANGRY JURORS. WE ARE VERY EXCITED TO GET STARTED!

When a young Puerto Rican boy is on trial for the alleged murder of his father, 11 of the 12 jurors are quick to vote that he is guilty in an ostensibly straightforward case. The remaining juror seems skeptical about the evidence at hand, and demands a thorough deliberation of the facts from each juror before sentencing the boy to death: prove the defendant's guilt beyond a reasonable doubt.

Let's do this!

ALLYSON, NOAH, MAYA, ELIAS, AND MIMI

VALLEY PLAYERS

CAST OF CHARACTERS

FOREMAN

They are a small, petty person who is impressed with the authority they have and handles themselves quite formally. They are not overly bright, but dogged.

JUROR NO. 2

They are a meek, hesitant person who finds it difficult to maintain an opinion of their own. They are easily swayed and usually adopt the opinion of the last person whom they have spoken.

JUROR NO. 3

They are a very strong, very forceful, extremely opinionated person within whom can be detected a streak of sadism. Also, they are a humorless person who is intolerant of opinions other than their own, and accustomed to forcing their wishes and views upon others.

JUROR NO. 4

They seem to be a person of wealth and position, and a practiced speaker who presents themselves well at all times. They seem to feel a little bit above the rest of the jurors. Their only concern is with the facts in this case and is appalled with the behavior of the others.

JUROR NO. 5

They are a naive, very frightened young person who takes their obligations in this case very seriously but who finds it difficult to speak up when their elders have the floor.

CAST OF CHARACTERS

JUROR NO. 6

They are an honest but dull-witted person who comes upon their decisions slowly and carefully. They are a person who finds it difficult to create positive opinions, but who must listen to and digest and accept those opinions offered by others which appeal to them most.

JUROR NO. 7

They are a loud, flashy, glad-handed salesperson type who has more important things to do than sit on a jury. They are quick to show temper and equally quick to form opinions on things about which he knows nothing. They are a bully, and, of course, a coward.

JUROR NO. 8

They are a quiet, thoughtful, and gentle person- a person who sees all sides of every question and constantly seeks the truth. They are a person of strength tempered with compassion. Above all, they are a person who wants justice to be done, and will fight to see that it is.

JUROR NO. 9

They are a mild, gentle old person, long since defeated by life, and now merely waiting to die. They recognize themselves for what they are, and mourn the days when it would have been possible to be courageous without shielding themselves being their many years,

JUROR NO. 10

They are an angry, bitter person- a person who antagonizes almost at sight. They are also a bigot who places no value on any human life save their own. Here is a person who has been nowhere and is going nowhere and knows it deep within them.

CAST OF CHARACTERS

JUROR NO. 11

They are a refugee from Europe. They speak with an accent and are ashamed, humble, almost subservient to the people around them. They will honestly seek justice because they have suffered through so much injustice.

JUROR NO. 12

They are a slick, bright advertising person who thinks of human beings in terms of percentages, graphs, and polls, and has no real understanding of people. They are a superficial snob, but trying to be a good fellow.

GUARD

This is a bit part. They can be any age and wears a uniform.
